1. PROJECT BRIEF

Ministry of Micro, Small and Medium Enterprises, Government of India has established 18 Technology Centres (TCs) earlier known as Tool Rooms (10 Nos) and Technology Development Centres (8 Nos). The TCs primary focus is to support industries particularly MSMEs in the country through:

- Access to advanced manufacturing technologies
- Skilling manpower by offering opportunities for technical skill development to the youth at varying levels ranging from school dropouts to graduate engineers and Providing technical and business advisory support to MSME entrepreneurs

Under the Technology Centre Systems Programme (TCSP)-co funded by World Bank, 15 new TCs are being established across different parts of the country. Presently these TCs are under advance stage of construction. For full details about existing TCs and TCSP, please visit http://www.dcmsme.gov.in/Toolroom_tdcs.htm and <http://www.dcmsme.gov.in/tcsp.html>
