BRIEF DESCRIPTION OF TRAINING PROGRAMME

Internet & Social Media today has become the growth engine for business promotion. One can start a business for as less as 10,000 and from home, garage or from city or village with little education. Internet has become de-facto platform for interactions, Promotions, event updates, branding, sales promotion and at no cost messaging. But its power is free but hidden from an untrained eye.

You need to learn the tools, tricks to start and grow your business and become master of your destiny. We invite, Entrepreneurs, Marketing Professionals, IT Professionals, Students, Retired persons, housewife, Large firms to come forward & participate in this 2day Training to learn the Tools, Techniques & Strategies for a successful Digital Marketing initiative. At the end of the programme you will get to know how you may earn /generate money online easily.

Reasons to learn Digital Marketing

- * A number of companies are shifting from traditional print and TV media to digital advertising due to the increase in internet usage to communicate, publicize and attract customers
- * Digital Marketing is poised to generate 1.5Lakh jobs by 2018
- * Online Ad Spend to across Rs3,500 Crore by FY 2015, 30% YoY growth
- * India crossed 300 M Internet Users Mark in Dec 2014
