BRIEF DESCRIPTION OF TRAINING PROGRAMME

DIGITAL MARKETING & E-COMMERCE USING AI & CHATGPT

PRACTICAL SESSION Live Interactive Session

Internet & Social Media today has become the growth engine for business promotion. One can start a business for as less as 10,000 and from home, garage or from city or village with little education. Internet has become de-facto platform for interactions, Promotions, event updates, branding, sales promotion and at no cost messaging. But its power is free but hidden from an untrained eye.

You need to learn the tools, tricks to start and grow your business and become master of your destiny. We invite, Entrepreneurs, Marketing Professionals, IT Professionals, Students, Retired persons, housewife, Large firms to come forward & participate in this 2day Training to learn the Tools, Techniques & Strategies for a successful Digital Marketing initiative. At the end of the programme you will get to know how you may earn /generate money online easily.

Reasons to learn Digital Marketing
