## **BRIEF DESCRIPTION OF TRAINING PROGRAMME**

### **SUPPLY CHAIN MANAGEMENT & INTERNATIONAL CARGO CLEARANCE & LOGISTICS OPERATIONS**

#### **Brief Description of training program:**

**About Programme :** In India, Supply Chain sector has witnessed double digit growth in the last 10 years and is expected to continue this strong growth for another 10 to 15 years. The key challenge for industries in this sector is the availability of skilled manpower to sustain growth, in lieu of this prevailing situation.

MSME TDC is offering Supply Chain Management course that helps you to understand the powerful concepts and present them in a lucid and applications oriented manner. Supply Chain Management course focuses on key applications like demand forecasting, master planning and materials requirements planning, Japanese concepts like Lean and JIT as well as understanding the nuances of purchasing and the art of negotiation. So, boost your career through SCM certification provided by the Govt. of India.
